

Mediation Academy of Ireland

What does our programme do?

Fully accredited by the MII, our programme is specifically designed to train individuals in mediation, to an accredited and professional standard. The course illustrates how mediation has become established as a means of alternative dispute resolution and as a highly effective method of resolving conflict.

What does the course involve?

- ✓ 40 hours intensive on-site face to face training
- ✓ 20 hours of individual research, assignment and presentation preparation
- ✓ Participants who successfully complete and pass the independent MII assessment (recorded role play assessment) are then eligible to become an approved MII member

Course content

- ✓ Listening skills,
- ✓ conflict coaching,
- ✓ history of mediation,
- ✓ ethical considerations
- ✓ advantages and disadvantages of mediation
- ✓ the Mediation Bill,
